The following is an examiner's statement of reasons for allowance: Although the prior art references of record show some similar features of applicant's claimed invention, they fail to show or teach the combination of limitations as specifically set forth in applicant's claim 1. The examiner can find no proper motivation to combine the references of record to produce applicant's claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
